

“In both human and animal health we are committed to improving the quality of life through innovative research and therapeutics”

Bioniche Life Sciences Inc is a research based, technology-driven Canadian biopharmaceutical company focused on the discovery, development, manufacturing, and marketing of proprietary products for human and animal health markets worldwide. Bioniche is a growing biopharmaceutical company with a global presence, an employee base that is committed, a leadership team that is unified and a product and technology mix that is exceptional. We are a company that has strong values and beliefs, with an exciting future ahead.

Bioniche Life Sciences Inc. invites candidates for the following full-time positions at their Belleville, Ontario location:

Canadian Sales Manager

The Canadian Sales Manager is responsible for achieving sales targets set within Canada for all product lines and controlling expenses as budgeted for that region. This role is responsible for the management of animal health sale activities within Canada while managing and developing the sales representatives across Canada. They will interact with marketing personnel on the implementation of corporate marketing strategies and work collaboratively toward the total sales goal as well as those set for various products.

The ideal candidate will possess a University degree, preferably in animal science or agriculture; a minimum of 3 years hands-on experience within the industry, in clinic, on farm etc.; and a minimum 5 years selling experience in pharmaceuticals or animal health related fields. This individual will also possess strong interpersonal, selling, communication and organizational skills.

For a comprehensive job description please visit the careers section on our website at www.bioniche.com

For immediate & confidential consideration, please apply by email to HR@bioniche.com or by fax at 613-966-4177 no later than June 11, 2010.

As an Equal Opportunity Employer, Bioniche thanks all candidates in advance, but only those chosen for interview will be contacted.
