

ANAC 2011 Directory of Members ORDER FORM

ANAC's Directory of Members contains the most up-to-date and comprehensive list of companies and individuals involved in the feed industry. The Directory of Members is published annually by the Animal Nutrition Association of Canada.

The Directory provides detailed information on feed manufacturers, suppliers of major ingredients and commodities, micro-ingredients, animal health products, equipment and many other related services across the country. It includes information on each of ANAC's 170 corporate members together with addresses and contacts for over 360 manufacturing sites and offices across the country.
